RE: Cancellation of the 2020 Outstanding Iron Worker Apprentice
Competition and Training Coordinator Meeting
September 30 – October 3, 2020, Denver, Colorado

Dear Brothers and Sisters:

Due to the severity of COVID-19 and the advisories from governments and public health organizations to ban all large gatherings of people, the Trustees of the National Training Fund decided to cancel the 2020 Outstanding Iron Worker Apprentice Competition and Training Coordinator Meeting. Our primary concern has always been the responsibility we feel towards our members, vendors and guests and keeping them safe.

We thank you for your understanding and our Apprenticeship and Training Department will be contacting you in the near future.

Very truly yours,

Eric Dean
General President and
Labor Co-Chair

Victor Cornellier
Board Chairman, TSI Exterior Wall Systems and
Management Co-Chair
